We opened up the Garden Grove tournament with a 70-61 win over La Quinta High School. Senior Garret Witteveen led the scoring with 30 points. Junior Kyle Rasmussen had a balanced game with 13 points, 8 assists, and 4 rebounds, and David Diaz chipped in with 8 rebounds.

In game two, we faced a tough Tustin High School squad. Plagued with foul trouble all night, Garret Witteveen still led the Vanguarders with 15 points. David Diaz had 9 points off 3 three point field goals. In the end, we came up a possession short, losing 52-53.

Game three pitted us against the Matadors of Bolsa Grande High School. The up tempo pace of this game was exactly how we like to play. The final score was 63-46 with three double digit scorers for the Vanguarders - Kyle Rasmussen with 15, David Diaz with 13, and Luke Reissmueller with 10.

The final game of the tournament, the consolation championship game, had us play a very good opponent in Dana Hills High School. Kyle Rasmussen led Vanguard scoring with 14 points, but we were unable to protect the paint as well as we'd like on the defensive end. As a result, we were defeated by a final score of 42-59.

Congratulations go out to Kyle Rasmussen who was named to the all-tournament team. He finished the 4 games with averages of 12.5 points, 3 rebounds, 3 assists and 2 steals.
