Exhibit Two 6-7:30 p.m.:

SHOWTIME 6-6:15 p.m.: Enjoy our kick off with our award-winning Vanguard Marching Band and Cheer/Pom Squads followed by an informative video made by our El Modena Television (EMTV) program.

Vanguard Showpieces all over campus:

360 Degree Video Booth Experience (Quad): Come create your athletic dream experience with festive props in a 360 Degree photo experience.

Aquatics Center: Visit our Aquatics Center and enjoy our awesome aquatics athletes.

AP/Honors- Math & Science Focus (909): Our exemplary AP and Honors Math and Science teachers await you to discuss a wide array of curricular offerings.

AP/Honors- Humanities Focus (903): Our extraordinary AP and Honors English, World Language, and Social Studies teachers will be available to discuss the various curricular offerings.

Art (802): Meet our amazing Art teacher, Ms. Wang, and learn about our innovative Art classes. See some incredible student artwork, as well.

Athletics (901): Meet our Fall, Winter, and Spring Sports representatives, get to know our stellar programs, and sign on to play for El Modena next year and beyond.

Band and Color Guard (Blacktop/Quad/Atrium): Come meet Mr. Nuno and hear a slice of our fantastic musical offerings: Percussion Ensemble, Marching Band, Orchestra, and Color Guard to name a few.

Ceramics (502): Visit Mr. Beaman, our Ceramics teacher, and learn about one of our most popular classes on campus.

College and Career Center (610): Come meet Mrs. Abraham and learn about our unique AVID program. You can also meet our **Santiago Canyon Community College (SCC)** counselors and learn about the perks of dual enrollment at El Modena.

Coffee with the Counselors (Library): Grab a cup of coffee and a donut with our awesome counselors in the library to discuss academic, extra-curricular, CTE, and athletic programs. We have so many great options to fulfill students' A-G requirements. Coffee and donuts generously donated by Friendly Donuts!)

Construction, Engineering, Computer Science, Robotics (Construction Lab): Visit our brand new Construction classroom and meet some of our most interactive instructors on campus.

Culinary Program (all around campus): Tonight enjoy five wonderful culinary stations around campus prepared by our one-of-a-kind Vanguard Culinary Arts and Catering Program.

Digital Audio and Video Production (404): Meet Mr. Cunha and experience some incredible audio and video production possibilities.

Digital Photography and Spyder Lab (804): Join Mr. Phun, our Digital Photography teacher, and Mr. Miles, our Marketing teacher in the first Spyder Lab in the district. Mr. Phun has a cool photo booth tonight and Mr. Miles and his students will talk about Professional Internship Marketing class in the Spyder Lab.

DMC (305): Another of our Vanguard signature programs, the Digital Marketing Collaborative (DMC) is a 3-year marketing academy that offers smaller class sizes, college and career-focused field trips, and hands-on business experience.

Education Pathway (920): Join Ms. Mulder to learn about our wonderful Careers in Education program.

English (934): Our English teachers will be sharing various readings from their favorite literature and displaying students' work and writing.

Graphic Design (501): Ms. Seid's class is so interactive and fun! Come by and find out about how to make graphic design part of your schedule next year.

Mathematics (928): Meet our exceptional Math teachers while they play the 24 card game with parents and students, guess how many candies are in a jar, or fill out a W-2 form.

Medical Core (914): Meet Mr. Parra, our dynamic Patient Care Pathway instructor and learn how students gain practical experience in Vital Signs, Emergency Medical Care, First Aid, and CPR courses.

Principles of Business (501): Meet Mr. Stiles and learn about the real-world applications of his Principles of Business offering.

Orange Public Library (Outside 610): Come meet our City Library representatives. Find out about select offerings and the gold that is the library card.

Science (911): Meet our rockstar Science teachers while they conduct various experiments and learn about the unique course offerings, including our Horticulture and Eco-Research one-of-a-kind college-connected classes.

Social Sciences (932): Meet our interactive Social Science teachers and enjoy an exciting scavenger hunt virtual history challenge.

Student Leadership (406): Students from our ASB, Journalism, EMTV, and PAL programs would love to speak with you and share their experiences with these flagship programs.

Sports Medicine (908): Mr. Linares awaits your arrival to chat about our awesome Sports Medicine Pathway.

Special Education (900): Our vibrant Special Education teachers are excited to meet you and share our specialized classroom and various course offerings.

Public Service (922): Drop by and chat with Mr. Pena and Mr. Wilcox about the exciting Public Service class options such as Criminal Justice and CSI!

School Psychologists (902): Come meet our wonderful school psychologists and get acquainted with the lovely space in which they serve our students.

UCCI Get Reel (208): One of our Vanguard signature programs, UCCI Get Reel is a 3-year media-focused English Language Arts program that integrates A-G academic work with Career Technical Education (CTE) in the area of film and media.

VAPA/ Choir and Dinner Theater (426): Join our Theater Arts teacher, Ms. Gillen, and our Choir teacher, Mrs. Solis, as they present a select vocal offerings and a short Dinner Theater.

Vanguard Dance Company (Cafetorium): Join our Vanguard Dance Company on stage in the cafeteria performing at 6:15 p.m, 6:30 p.m., 6:45 p.m., and 7 p.m. as they perform parts of their upcoming production, *Dream On...Moving Dreams into Reality*. Chat with their teacher, who is also our Cheer Advisor, Ms. Hesp, from 7:15-7:30 p.m.

Virtual Enterprise (305 adjacent): Virtual Enterprise (VE) is a real-world Economics class that students take their senior year in DMC. VE challenges students to create their own virtual business and compete at trade shows around Southern California. Stop by and see students' trade show booths for this year's companies, Back Up and Swap It.

World Languages (926): Meet our expressive World Language teachers as they share cultural music, activities, and snacks.
