

EL MODENA HIGH SCHOOL ASB LEADERSHIP BEHAVIOR AGREEMENT & OFF CAMPUS PERMISSION FORM

- PERIOD FOUR LEADERSHIP COURSE ROOM A-2/ASB OFFICE
- ACTIVITIES DIRECTOR: BRANDON MILES 714 997-6331 ext. 3616

Elected or appointed Associated Study Body (ASB) membership describes all students in the EMHS period four leadership class. Serving as a member of ASB affords practical “hands-on” experience in democratic leadership through the management of student co-curricular activities.

ASB leadership transforms a student into a campus role model. The position demands a vow of integrity that requires a person to display outstanding character and make appropriate behavior choices. As a campus leader, an ASB member should exhibit maturity and enthusiasm for educational opportunities. Consider the behavior described on this document as an honor code, which each member of the ASB leadership class should uphold.

ASB students should understand the importance of good attendance. Leadership enrollment requires significant time and effort, including evening and weekend commitments. Truant students or those placed on tardy contracts, risk removal from ASB participation and the Leadership class.

The commitment to service required by a student’s ASB participation reflects the acceptance of serious responsibility. Individual ASB students must apply themselves to work diligently as a committee leader or member. Documented participation is required to earn the best possible grade. Lack of legitimate participation in as many ASB activities as possible could result in a poor grade or failure of Leadership Class.

ASB participation occasionally requires students to perform business off-campus during school hours. The signature of ASB parents indicates off campus permission with written consent from the school Activities Director. Activities necessitated by enrollment in the leadership class may require use of a private vehicle driven by teachers or students to various assignment destinations. However, efforts will be made to limit the need for students to work off campus during the school day.

Education Code Section 1081.5 provides that all persons making class trips or excursions have deemed to have waived claims against the teacher, school or district for injury, accident, illness or death occurring during or by reason of the trip or excursion.
